6. **Treasurer's / Endowment / Budget Approval:** Sandy DePlonty reported on the finances and the fact that we will be in a deficient budget larger than past years due to the roofing project that had not been budgeted. Therefore, the money will be left in the Edward D. Jones money market fund until after the roof project is finished and paid for. The accounts lost funds in April and gained back the funds in May. Nothing extraordinary occurred with the funds. Insurance is now being paid on a quarterly basis. The reports will be placed on file.

The door leading from the main church to the hallway above the stairs needs to be secured and made tight for airflow to be contained.
9. **Junior Warden' Report:** Cal Woodard and Kim Sillers have been working on the ceiling tile in the area of the men's restroom. It was reported that the women's room has a leak under one of the toilets. Cal Woodard will be coordinating the church picnic on June 7.
